

University of the Incarnate Word® Bachelor of Science in Community Health Education

Ila Faye Miller School of Nursing and Health Professions

PROGRAM OVERVIEW

The Bachelor of Science (B.S.) in Community Health Education at the Ila Faye Miller School of Nursing and Health Professions at the University of the Incarnate Word emphasizes improving the health of individuals and communities based on their needs. Students design, implement and evaluate community health programs. They also learn the domains of competency within public and community health education such as behavioral health, health policy, research, epidemiology, chronic diseases and infectious diseases. The Bachelor of Science in Community Health Education consists of 120 hours. The CHED curriculum addresses all public health domains through a combination of university core classes (43 hours) and the required courses in the major (77 hours).

QUICK FACTS

- Bachelor's degree driven by Social Sciences.
- Within 3-6 months of graduation, 78% of UIW graduates are employed full-time in the community health field.
- Students can complete two minors while completing their degree in Psychology and Nutrition.
- Some career settings for Community Health Education Specialists: Alcohol Educator, Family Services Specialist, Community Organizer, Diabetes Educator, Health Education Programmer, Health Literacy Program Coordinator, Employee Wellness Coordinator, Worksite Safety Coordinator, Health Education Director, Cultural Competency Trainer, Prevention Program Director, Cancer Information Specialist, Lactation Consultant, Patient Care Coordinator, Biometric Health Screener, Nutrition Services Coordinator.
