University of the Incarnate Word®

Bachelor of Science in
Nursing - Traditional BSN

Ila Faye Miller School of Nursing and Health Professions

PROGRAM OVERVIEW

The Traditional BSN track of the Ila Faye Miller School of Nursing and Health Professions prepares graduates to pass the national registered nurse (RN) licensing exam and enter professional nursing practice. Nursing courses include clinical experiences in a variety of community, clinic and hospital sites. The clinical learning center provides high-fidelity simulation and skill development. UIW graduates are employed around the world in all areas of healthcare, including hospitals, community settings, research, education, parish ministries, government agencies and the military services.

A minimum of 122 hours is required for graduation.

QUICK FACTS

- The Traditional BSN track is approved by the Texas Board of Nursing and accredited by the Commission on Collegiate Nursing Education.

- The UIW Traditional BSN is a five-semester program that requires 28 months to complete.

ADMISSION REQUIREMENTS

Admission to the B.S. in Nursing – Traditional BSN is a two-part process. Students must be admitted for general admission to the University of the Incarnate Word before applying to the program. Applicants apply to the program while completing prerequisite coursework. Applications must be submitted to the NursingCAS by Feb. 1 for fall admission and July 1 for spring admission each year.
